Where an organisation's risk assessment of First Aid needs identifies that there is a requirement for Emergency First Aid at Work practitioners, then this National Award in Emergency First Aid at Work satisfies the requirements of the regulatory body for First Aid - The Health and Safety Executive (HSE). All learners will have the skills and knowledge to provide the organisation with Emergency First Aider's that can provide treatment to their casualties in a prompt, safe and effective manner.

Duration - A minimum of 6 contact hours in the classroom, consisting of practical and theoretical activities, plus some pre-course activity could be required.

The one day course will cover:

- Responsibilities and Reporting
- Assessment of the situation
- Dealing with an unresponsive casualty
- Basic hygiene in First Aid
- Resuscitation and AED awareness
- Anatomy
- Minor Injuries
- Bleeding control
- Burns
- Choking, Epilepsy
- Shock

Certification - Assessment is ongoing and takes the form of practical assessments and oral questioning. A three year qualification will be issued to those who satisfy the criteria.
